

Berean Christian Junior Academy

Excellence in Education since 1906

- Are you interested in cutting your monthly household or business expenses?
- Are you interested in giving back to your community?
- What if you could do both without any additional monthly cost?

Berean Christian Junior Academy has teamed with LINX2Funds to help turn a portion of your monthly service bills into contributions for our school. These contributions will fund scholarships and improve our technology.

Please contact our representative for details at 404-213-0139.
